

April 2010

President
Mississippi Council on Economic Education

The Mississippi Council on Economic Education is a highly successful non-profit 501(c) (3) organization, which is housed at Millsaps College. The Council is part of a nationwide network of State Councils on Economic Education and College/University-based Centers for Economic Education affiliated with the 60 year old Council for Economic Education in New York City and ranks in the Top Ten in the country. The mission of the Council is to help teachers teach economics, financial education and entrepreneurial education in the public and private schools of Mississippi, with a vision of their students leaving school prepared for their economic roles as workers, consumers, citizens, and life-long decision-makers in a globally interdependent world.

The President serves as Chief Executive Officer of the organization, which is governed and funded by the private sector.
